NO. 19

IS DEVELOPMENT BODY IN FAVOR OF "BOX" BILL?

Board of Supervisors Asked To Ascertain Stand On Immigration

The County Board of Supervisors has been requested by the Immigration Study commission to make no appropriation for the California Development association until it is ascertained whether any part of the taxpayers' money herein will be spent in an attempt to prevent the enactment into law of the Harris-Box Bill to place Mexico under the same immigration quota as is maintained against Europe.

The commission declares the greatest menace herein is the differential birth rate.

If the average Anglo-Saxon family has three children, it will be represented in the fifth generation by 243 kiddies. If the Mexican immigrant family averages seven its fifth generation will show 16,807 children. As Dr. Laughlin well says, "Uncle Sam should look on each immigrant as a prospective son-in-law."

(Further discussion of the Mexican Immigration question appears in this week's "Weekly Chats with Lovers of Books.")

RECORDS BROKEN BY SCHUCKLE CO.

Peak of Season Passed This Week
In 200,000—Case Pack
for 1928

This past week at the Schuckl Cannery all records were broken, the output being the largest in the history of the concern, the payroll being the biggest and there being the greatest number of people employed. Girl workers averaged between \$0 and \$70 for the week.

With the passing of the peak of the midsummer varieties of peaches, the next two weeks will be spent in a run on late midsummer varieties and then the Phillip variety will be used until about Sept. 15, according to J. E. Townsend, superintendent. There will probably be a run of two weeks on late pears, finishing the season about October 1. A pack of 200,000 cases of peaches is expected, the fruit being of unusually fine quality.

A short trip of inspection through the cannery gives one the idea of expert efficiency, speed and good management on the part of the entire staff from the superintendent, the office force, foremen and individual workers. Distribution of fruit to the cutters, sorting of sizes, changing cans from one part of the plant to the other, packing and sealing the boxes in which they are shipped all take place at lightning speed, most of the work done by machinery almost human in its operation.

The following statistics for one day may prove interesting:

Amount of oil used in heating the boilers—2,500 gallons.

Amount of sugar used in one day—300 one-hundred pound bags.

Number of cans done in one day—200,000.

Number of cases shipped in one day—5,000.

Most of the fruit is shipped to London and Liverpool, England.

Argument Against Incorporation

Pleasanton is up against it! It has a debt and since it is incorporated, must bear the burden alone. Due to the fact that there have been twice as many fires as usual this past month, the P. G. and E. bill has doubled. It is usually four cents. This month it is eight cents. City Clerk Letham is all up-set. So is the finance committee of the city council.

CALVERT BOWLES TO RUN FOR SENATOR

Calvert L. Bowles, of Oakland, candidate for state senator for the 13th district, was a visitor in Niles Sunday with his campaign manager, Charles A. Russell, formerly of Irvington.

Mr. Bowles is a world war veteran and has been secretary of the East-side Consolidated City Clubs, of Oakland, for the past four years, resigning his post to enter the campaign. He has the highest commendation from many of the prominent people of Washington Township and

will probably carry a heavy percentage of the votes from this section. A few of those who have declared themselves in his favor are F. Vernon Jones, of Niles; Dr. Durham and K. F. Reynolds, of Irvington.

Mr. Russell who is managing Mr. Bowles' campaign was an Irvington school boy and graduated from the Washington Union high school. He is a step-son of J. E. Warmby, former station agent at Irvington and former justice of the peace.

GLIMPSES OF OLD MEXICO AS CAUGHT BY REV. STEVENSON OF IRVINGTON

By REV. J. R. STEVENSON
Ensenada is only 70 miles south of the Mexican border but judged by American standards of travel it is equivalent to 500 in the United States. What I mean is that the roads are so bad that the punishment they inflict on a car is terrific. There are no gas stations on the road so foresight must be exercised in carrying enough gas to get you across. We passed thru Tijuana on the way and it is a worthy complement to the Mexican people to say that the saloons are all run by "renegade" Americans. Every second store is a saloon and the noticeable feature is the number of "smart" American women who sit there with a glass of beer in front of them. I am sure that most of them did not really enjoy it, but it is considered the proper thing in Tijuana.

Before we could proceed to En-

CHAMBER OF COMMERCE APPOINTS COMMITTEE ON INCORPORATION

Dr. Chas. H. Law and W. B. Kirk to Secure Facts and Figures

Niles' campaign to ascertain the advisability of converting the village into an incorporated town took concrete form for the first time at Tuesday's meeting of the Chamber of Commerce when President Harvey Braun appointed Dr. Chas. H. Law and Willard B. Kirk as an incorporation committee to get together as many facts and figures as possible regarding boundaries, cost, tax rates, etc., involved in obtaining city government for Niles.

This action was taken at the suggestion of Past President Lester Duffey who declared that when the opposition put up the argument that local government would cost too much, those in favor of incorporation had no definite arguments to give them in return. "We believed that this was a good proposition even before special speakers told us so," stated Mr. Duffey, "but none of us have any real facts or figures on the expense that will be involved."

"We've talked about it and listened to other people talk about it, and the time has come to ask what the Chamber of Commerce is going to do about it. I am in favor of having a committee appointed to investigate the actual cost of things and to give us real facts and figures from towns the size of Niles that have incorporated and know what has to be met."

"I agree," stated F. V. Jones. "I am ready to say that I am in favor of it if it could be done. But it cannot be done—it is not possible to do it—unless somebody gets behind the movement and puts it across, and there is no such body here unless it is the Chamber of Commerce. We've been able to find nothing that would be disadvantageous. We all seem to agree that it would be best but it will never come to pass unless there is organized efforts to bring it to pass. The time has come for us to put down on paper what we expect to do about this thing."

Argument for Incorporation

A total of \$1,552.00 was collected in fines for various offenses by Judge Allen G. Norris, of Centerville, last month. This amount reverted to the county. An incorporated town receives the revenue from its justice courts.

FIRE BURNS OVER 3000 ACRES HERE

Driven by a stiff breeze from the bay, a grass fire swept over approximately 3000 acres of grazing land on the Rose and Walpert ranches in the hills back of Niles Saturday afternoon. The blaze started from brush that was being burned by a crew of men on the Rose ranch.

The Niles fire department responded but was able to control only a small portion of the front. The private fire department from Rose's garage and the Decoto department joined in the fight. After a battle which lasted more than two hours the fire was finally brought under control by backfiring.

Nearly 200 men engaged in the fight and for a time it appeared certain to sweep down the side of Niles canyon and through several of the most popular picnic parks in this playground. Ranchers in the vicinity of Brightside recruited help and prepared to save their property by backfiring.

While this fire was sweeping the hills back of Niles another broke out above Morrison canyon and burned over nearly 50 acres before it was checked by fireguards which had been ploughed by the ranchers at the beginning of the dry season.

Heavy black smoke was seen rising from the hills back of Mission Peak at the same time but the extent of this fire and its exact location could not be learned.

WESTERN PACIFIC ONCE PROMISED TO MOVE STATION

After seeing the story in last week's Register that the publisher of the paper expected to confer with the general manager of the Western Pacific railroad relative to changing the station to a location nearer the shopping center of Niles, a member of the Chamber of Commerce recalled that in 1925, this matter was brought up by Dr. Chas. H. Law and the secretary wrote a letter to the railroad suggesting the change.

After considerable correspondence, the railroad stated that the change of location had been included in the 1927 budget. Since the change did not occur in 1927, perhaps 1928 will be the propitious time.

Mrs. Louis Ruschin Breaks Left Wrist

Mrs. Louis Ruschin suffered a compound fracture of the left wrist Saturday evening when she slipped on a mat.

Niles Without Water For Twenty-four Hours

A portion of Niles was without water for 24 hours beginning Monday night because of the blowing out of a valve on the main line between here and the Spring Valley Lakes on the peninsula.

NILES PEOPLE WILL ATTEND HAYWARD SHOW

Chamber of Commerce To Be Represented At County Fair

A special delegation of Niles people will attend the Farm Products Show at Hayward Friday, according to an announcement made at the Tuesday luncheon meeting of the Niles Chamber of Commerce. All local citizens who wish to be included should communicate with President Harvey Braun.

BROTHER PURSUES SISTER WHO FLEES TO SAN FRANCISCO

The way of true love never yet ran smoothly. As per the case of Mary Illustre, Filipino girl who arrived from the islands about two weeks ago and came to Niles to work in the Schuckle cannery. On the way across she met a youth and liking the twinkle of his eye pined for his company. Tuesday morning she came to work and at seven o'clock checked out, saying she had an errand to do. Her brother becoming suspicious when he found her gone, followed her to San Francisco. Unfortunately he missed the ferry and she got the start on him but made the mistake of taking a street car. He followed in a taxi and met her at the door of the home of her friend. So she's back in the cannery having a "peachy" time.

FORMER RESIDENT OF NILES PASSES AWAY IN OAKLAND

James W. Clarke, aged 57 years, a well-known lawyer, of Oakland, and formerly a resident of Niles, passed away August 2, after an illness of a few days.

The deceased was a son of Edward and Eleanor Clarke, pioneer residents of the state. He was a graduate of the University of California and Hastings Law School. For the past twenty years he has been practicing law in Oakland. He is survived by a widow; two children; a brother, F. E. Clarke, of Niles; and two sisters, Mabel S. Clarke, of Niles, and Ada Clarke Rowe, of Oakland.

Welfare Organization Appoints Committees

Appointment of committees and reading of the tentative constitution and by-laws featured the meeting of the Children's Department of the Southern Alameda County Welfare Board held at the home of Mrs. F. V. Jones Tuesday afternoon. The next meeting will be held September 6, in the board room of the Niles library. In the absence of the president, H. W. Burr, Mrs. W. H. Ford, vice-president, presided.

Committees appointed were: By-laws—Mrs. Frank T. Dusterberry, Centerville; Mrs. George Coit, Centerville; Mrs. James R. Whipple, Niles.

Ways and Means—Miss Mary McKeevar, Hayward; Mrs. W. H. Ford, Niles; Mrs. P. A. Ellis, Niles; Miss Ann Wagoner, Livermore; Mrs. Wm. Silver, Pleasanton; Mrs. Walter Fliere, Hayward; Mrs. Laura Whipple, Niles.

Foster Homes committee—Mrs. F. V. Jones, Niles; Mrs. S. J. Hocking, Livermore; Mrs. Brazilin, Pleasanton; Miss Ruth Kimball, Hayward; Mrs. George Coit, Centerville.

Clothes committee—Mrs. A. A. Hatch, Niles; Mrs. F. O. Bunting, Centerville; Mrs. Edna Henry, Livermore; Mrs. Edna Casterson, Pleasanton; Mrs. Florence Turnbow, Newark; Mrs. W. S. Clarke, Hayward; Mrs. Cora Van Dyke, Hayward; Miss Irene Jensen, Hayward.

House committee—Mrs. Dusterberry, Centerville; Mrs. E. A. Ellsworth, Niles; Mrs. C. E. Anderson, Centerville; Mrs. Walter Fliere, Hayward; Mrs. Chas. Gale, Pleasanton.

IT'S ALL OVER, BOYS

WELL, EVERYTHING is over but the shouting.

Al Smith might as well go back to his Tammany Wigwag; Raskob to his official duties with General Motors—

Calvin Coolidge has spoken. The little God of capitalism, with a finality that cannot be misunderstood, says that Hoover will be elected—that is, he has made up his mind that the Secretary of Commerce may succeed him in office—but, of course, to fill his mammoth shoes, literally speaking, is quite another thing again!

Up until now, friends of the New York governor were hopeful—but how vain, indeed, is hope.

Up until now, many good Republican papers saw a fight ahead, and felt it incumbent to give the best that their publications were capable of that the alleged Californian might be elected to this high office. Now a great burden and obligation has been lifted from their trail, but willing, shoulders.

Calvin Coolidge, the kleagle and grand cyclops of the new order of Americanism—the centralization of power as represented in money and governmental action—has issued the pronouncement—Hoover and victory!

Well, boys, pull down your editorial mast head, grab a pad of paper and a pencil and hike out on the street and cover that love triangle suicide, petting party, gin blowout, or Rotary—the campaign, "he is over, fellers!"

Calvin, the Silent, has thundered.

WE'RE WITH HIM

WASHINGTON Township is especially proud of the record of Richmond, and the voters of this section would, indeed, be remiss of their duty—if their self-interests—if when the votes were counted the incumbent supervisor from the First district was not accorded almost solid endorsement from the towns and communities that comprise this important political unit of Alameda county.

With no reflection whatever upon Lee Wells, or with no intention or justification for questioning his integrity, his popularity and ability. The Register without reserve indorses the candidacy of Ralph V. Richmond. Four years in the office has equipped the present supervisor with the training necessary to give his constituency even better service in the future than in the past.

We do not ask the voters to give him support upon the specious plea that he holds that office, and it is his right by inheritance. Was his record anything other than excellent after four years' trial, we would be the first to counsel a change. But his performance has been exceptional. He has executive ability, and the diplomacy to secure support from other members of that body when he desires appropriations for the upbuilding of the First district.

Mr. Richmond is a citizen of Washington township, and a good citizen. The Register believes in community loyalty, everything, or nearly everything, being equal. A man is worse than an infidel who does not first look after his own. But, of course, that does not imply that however questionable a man's record may be that he should get the backing of the city he calls home. We are not, indeed, an exponent of that impolitic policy of community fealty. But in the case of Richmond we have a big man in a position that is really of far more importance than many of us realize. The board of supervisors superintends the spending of millions of the public funds. To wisely do this, the

CENTERVILLE DEPARTMENT

EDITORS: Mrs. F. O. Bunting and Mrs. George Colt

Mrs. L. Morrison and son, Gentry, were guests of Mrs. M. Allen, this week.

Rev. Mr. Stead and mother, from Sacramento, visited relatives on Thursday.

Word received from Mrs. A. T. Borst is very encouraging.

Mr. and Mrs. W. Attwood gave a luncheon in honor of a birthday. H. Mosher, of Niles, was the honored guest. There were eight to enjoy the repast with him and congratulate him on the event. It was all so delightful that they decided it would not be a bad idea to have two a year!

Several of our residents were called on the jury Tuesday afternoon. The case was to decide whether a young man of Niles had been driving recklessly or not. It didn't take long to decide in favor of the young man, and Judge Norris dismissed the jurors with well chosen words of approbation and thanks.

The Nash company has opened up its new place in a very neat manner. It is now receiving a fresh coat of paint.

Mr. and Mrs. Robert Anderson, Miss Jewel, Dr. and Mrs. McWhirter leave Monday for the lake country on a two weeks' vacation.

Mrs. Mary Gregory has been visiting relatives in San Jose. They had a delightful outing, going to Herbert Hoover's home and then picnicking in a beautiful spot.

Mr. and Mrs. J. Bell left this week for Pine Crest to stay a week or so.

Captain Oakes on his vessel "Ecuador," came in Saturday.

Some of the residents are out after deer. Some have been fortunate in receiving venison from friends. It was unusually fine, fat and tender.

Mrs. George Colt is spending her vacation in Oakland.

Mrs. Robert Beacon, who has been visiting her brother, Mr. Steele, at Sutter Creek, will return with her husband this week. R. Beacon drives up for her.

Miss L. Emerson returned Thursday from her visit in St. Helena.

Miss Helen Eggers will spend the week with her relatives, Mr. and Mrs. L. Eggers.

Mr. and Mrs. Fitzgerald and Mrs. M. Mathiesen left Saturday for Russian River, where they will spend a week.

Mr. and Mrs. Agosti are with Mr. and Mrs. Howard Chadbourne at present. Mr. and Mrs. B. Chadbourne also spent the week-end with them. They are planning a trip to Lake Tahoe in the near future.

To old residents the news of the death of Mrs. Olive Jarvis Edmondson, and Mrs. Nettie Tolin Hagstrone, both of Oakland, will be of more than passing interest. Both spent their early days in this section. Their families have our deepest sympathy.

Rev. and Mrs. Hamilton Lee visited friends on the way to Pacific Grove.

PERSONALS

Lieutenant and Mrs. Ernest Byron Thompson and little son, Robert Inman Thompson, arrived Monday from Key West, Florida, for a visit of several months with Mrs. Thompson's sister and brother-in-law, Mr. and Mrs. J. M. Williamson. Lt. Thompson will be stationed in the coast artillery unit U. S. A. at Honolulu, and will leave for the islands the latter part of October.

Dr. and Mrs. Chas. H. Gill have been visiting Dr. Gill's grand-parents, Mr. and Mrs. C. H. Chute, of Bay View ranch. Dr. Gill has been an interne in the Southern Pacific hospital at Sacramento and will take up his duties in the San Francisco Southern Pacific hospital after his visit here.

Mr. and Mrs. C. H. Chute have been entertaining Rev. Harley H. Gill and family.

Mrs. Emilie Chittenden returned Sunday from an extensive eastern visit. "Nana" is looking as splendid as ever and we are hoping to have for Register readers a descriptive article on her interesting trip.

Motor Coach Tour Around Lake Tahoe

Train tourists stopping off at Lake Tahoe may now view the vistas of all its shores from a motor coach window, according to announcement by Harvey Braun, Southern Pacific agent.

With the completion of a fine road system, the Tahoe Transportation Company has established a daily motor coach service to all the points around the lake. This service connects with the Southern Pacific's train and motor coaches at Tahoe Station. Travelers not desiring to take the famous boat ride may now board a luxurious motor coach at Tahoe station and ride around the lake's scenic shores.

CONWAY TEARLE TO PLAY AT CURRAN WITH ANN DAVIS

The plays of Sir Arthur Wing Pinero have been accorded first rank among the dramatic works of the English stage for more than a quarter of a century. For brilliancy of dialogue, cleverness of construction and subtlety of plot they have been unsurpassed by the writings of any other dramatist.

The announcement that Conway Tearle and his charming co-star, Ann Davis, are bringing Pinero's "Mid-Channel" to the Curran Theatre, San Francisco, for a brief engagement has already created quite a stir among playgoers and mail orders for seats have been pouring in at the box-office at a rapid rate.

The appearance here of Mr. Tearle in this play will mark his return to the spoken drama after an absence of several years in motion picture work. It will be remembered that prior to his entry into screen dramas, he was one of the most popular and best loved of Broadway stars. There he was a co-star with Ethel Barrymore in "Camille" and starred in many notable productions.

Miss Davis is better known in the east, where she played leading roles opposite E. H. Sothern, in "Accused," and with Lionel Atwell in "The Outsider." She also was the featured player in productions of "Rain," "The Darling of the Gods," "Hedda Gabler," "The Last of Mrs. Cheney" and "Love is Like That." In "Mid-Channel," Miss Davis will make her debut as a star.

The great English critics have credited "Mid-Channel" with being the greatest of all the Pinero plays. It has an absorbing story dealing with a mismatched pair in English society, who drift apart and seek more congenial companionship. Their separation finally ends in tragedy. The story is of great dramatic strength and interest, the latter being sustained by a constant growing of internal conflict.

It is needless to assert that in the hands of such splendid artists as Mr. Tearle and Miss Davis the portrayal of the principal characters in "Mid-Channel" will take on a new and added interest. A cast of unusual excellence has been brought together for the interpretation of the play and contains the names of players of international reputation.

Fruit Growers Will Hold Mass Meetings

To give prune and apricot growers in the Santa Clara Valley and neighboring districts an opportunity to become familiar with new plans and policies of the California Prune and Apricot Growers association five mass meetings have been scheduled in this part of the state by officials of the association. The meeting will follow a highly successful series held in the Napa-Sonoma districts and a series now underway in the Sacramento Valley.

The first meeting in the Santa Clara Valley will be held at the Cupertino Union school Saturday evening. Monday, August 6, a meeting will be held at Hollister. Tuesday evening of that week a meeting will be held at Morgan Hill and Wednesday evening a meeting is scheduled for Gilroy. The last meeting of the series in this valley will be held at the Evergreen school Thursday, August 8.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.

LISTENING IN

You folks that have been calling the horticultural inspector "Bill" got us in all wrong for of course we called him "William" and his name is Willard—synonym for storage battery or ice-cream storage, or what have you.

Anyway, we want to thank Mr. Willard B. Kirk for his kind words about our paper—"more news than it's ever had before." Say it now, don't wait till we are dead.

Some girls are so dead from the neck up they ought to get funeral wreaths instead of corsages from their sweeties.

Chorus girls in the future are going to have an awful time trying to wear less than does the modern flapper on the street.

The International Conference for the investigation of vivisection in New York is getting all upset because Congress failed to pass its bill prohibiting vivisection.

Of all the people who make us tired, those who make us most need a rest cure are those who have nothing more to do than to rave about the poor innocent dogs who are "tortured" in order that the human race may benefit thereby.

Which is more valuable—the life of a dog, or the life of a man? Hard to tell, in some cases, we admit, without casting any aspersions on the dog.

Mark Twain once said, "People are always talking about the weather but they never seem to do anything about it." We had meant to say that this reminded us of the Chamber of Commerce and Incorporation but we'll have to take it back since the committee was appointed Tuesday.

Somebody remarked that Mr. B— had such big feet he had to take his pants off over his head.

Some jokes are like swear words—no good unless you say them the right way. Try this one, "Orange juice 'orry you made me cry?" Entitled "Fruit Punch."

Typographical error—"Milpitas did honor to one of her battle-scarred veterans this past week—" Correction: "Milpitas did honor to one of her battle-scarred veterans."

"Three injured in week-end crashes." Must have been skull fractures.

Everybody who missed "Sorrell and Son" at the local theater last week missed one of the biggest pictures of the year, according to all reports. Manager Wm. Helm says "We Americans" is in the same class and that he doesn't expect to be able to offer a better feature. Just a suggestion for an evening's recreation, next Sunday and Monday.

You've probably discovered by this time that we had nothing to put into this column this week so we'll have to string out this last one a little.

PERSONAL ITEMS

Mrs. Elizabeth Mendenhall and son, Everett, are leaving today for Long Beach where they will visit Mrs. Mendenhall's father. They are going via boat.

Mrs. John M. Adams has been visiting Mrs. Edmund Nelson, of Los Gatos, this week.

Miss Alice Simas, recording secretary of Betsy Ross Parlor, Native Daughters of the Golden West, of Centerville, has been appointed district deputy to Laura Loma Parlor, of Niles.

Political Announcements FOR SUPERVISOR

I hereby announce my candidacy for re-election as supervisor from the First Supervisorial district of Alameda county, subject to the will of the voters of the primary election on August 28, 1928.

My record is one worthy of recognition, having devoted my entire time to the interests of the people of my district.

(Signed) RALPH V. RICHMOND.

Miss Milicent Shinn Included In "Women of the West" Publication

Due recognition has been given to some of our local women who have played an important part in the "making of the West." Milicent Washburn Shinn, of Niles, being one of those included. Their biographies appear in Women of the West, a reference work for libraries, educational institutions and civic bodies, which is being published by Publishers Press, H. W. Hellman building, Los Angeles, Calif. Max Binheim is editor-in-chief. The book contains eleven hundred sketches and not a penny has been paid by those whose names appear, all entries having been made on merit only. Several are illustrated.

The following outstanding western women have contributed special articles to Women of the West: President Reinhardt of Mills College ("The Western Women—Her Opportunity"); Cora M. Beach ("Women of Wyoming"); Dr. Maude Wilde, Los Angeles author ("In the Field of Service"); Mrs. David Starr Jordan of Stanford University ("Jane Lathrop Stanford"); Rev. Nona L. Brooks, Denver Woman's Supreme Achievement; Lillian White Spencer (Chippewa); Virginia Donaghe McClurg ("Mesa Verde National Park"); Irene Welch Grissom ("Pioneer Women of Idaho"); Dr. Mariana Bertola ("The Pioneer Women of California"); Minna McGauley, Oakland Library trustee, ("The Women of the West"); C. Louise Boehringer, Arizona editor ("Arizona Women"); Mrs. Harry Kluegel ("Activities of the University Women of California"); Catherine E. Van Valkenburg ("Women in Music"); Alma E. Plumb ("Women Educators of Idaho"); Secretary of State Jennie Fortue ("Women Suffrage and Jury Service in New Mexico"); Anne Shannon Monroe ("Pioneer Women of Oregon"); Sheba Hargreaves ("Pioneer Women of the West"); Lois Randolph, New Mexico State Superintendent of Schools ("The Last Frontier"); Sophia Holmes Adams ("Women of Montana"); Dr. Minnie F. Howard ("Idaho is Interested in a Fort Hall Monument"); Felice Cohn, Reno attorney ("Women of Nevada interested in Politics"); Judge Reah Whitehead of Seattle ("Western Women in Government"); Maud Hancock Prichard ("Women of New Mexico"); Mrs. A. J. Buchen ("Women of Montana"); Marian Miller-Edith Knight Hill ("Women of Oregon"); Amy Brown Lyman ("The Pioneer Women of Utah"); Dr. Grace Raymond Hebart of Wyoming University ("Politician or Diplomatist"); Mrs. Grace S. McKee ("Women and the Winning of the Northwest"); Alice D. Engley Beek ("The Women of Tacoma"); Professor Alice Louise Reynolds of Brigham Young University ("Art in Utah in Pioneer Days"); Nellis Von Gerichten Smith ("Women of Early Arizona").

Artists, authors, poets, composers, lawyers, musicians, business women, educators, state officials, legislators, social service workers, and numerous others have found their place in the Hall of Fame.

Mrs. C. E. Martenstein is entertaining the Friendly Club at bridge this afternoon.

FOR SUPERVISOR

I hereby announce my candidacy for election as supervisor from the First Supervisorial district of Alameda county, subject to the will of

the voters at the primary election on August 28, 1928.

My record is one of duty to the people and of service well performed as I have been Deputy County Assessor of Pleasanton Township for the past ten years.

(Signed) LEE WELLS.

PEOPLE YOU KNOW

A daughter was born to Mr. and Mrs. Glen Richard Mohn, of Niles, at the Silva Maternity home on August 5.

Mr. and Mrs. J. L. Maciel, of Niles, are receiving congratulations upon the birth of a daughter last Saturday.

Rev. J. R. Stevenson, of Irvington, is enjoying a visit in Ensenada, Mexico. He writes that the "coffee and milk" are good.

Miss Martha Crane spent Monday in Santa Cruz with Mr. and Mrs. Graber and Miss Helen Graber.

Mrs. Harold Houghton entertained Mrs. Guilfoyle, of Altamont, on Wednesday.

Mr. and Mrs. Robert Tyson who have been camping in the Tuolumne grand canyon country are expected home this week.

Mrs. C. E. Martenstein entertained 40 members of the Daughters of N'le at a picnic bridge party recently.

Mr. and Mrs. Robert Fisher who have been spending several weeks in Long Beach are visiting in Selma and are expected home this week or next.

Elks Have Barbecue In Rose's Canyon

About 65 members of the Elks' Association, of Washington Township, enjoyed a barbecue at Rose's camp Saturday evening. Special music was provided following the supper. Guests of honor were ten of the officers of Alameda Lodge No. 1015. George Hellwig, of Alvarado, and Max Whitfield, of Mission San Jose, had charge of the barbecue.

KRAFT BOYS WIN OVER NEWARK—11 TO 0

(By K. Leash)

Kraft boys put it over the Newark Wedgewoods, shutting them out by a score of 11 to 0 Sunday. Felix

pitched a good game for the winners allowing five scattered hits. "Butch" Roderick showed some class behind the plate. The Kraft boys will journey to Walnut Creek Sunday.

Batteries for Kraft—Felix and Roderick; Newark, Jensen and Smith.

Mr. and Mrs. Andrew Berg, of San Jose, were guests of Mr. and Mrs. Wm. Helm Monday evening. They came up to see "Sorrell and Son."

Announcing the New Utility Truck
- another Sensational Chevrolet Value
4 Speeds Forward—4 Wheel Brakes

Now Chevrolet presents the new utility truck—embodying new features that add still further to the sensational value of a product already so popular that it has made Chevrolet the world's largest builder of trucks.

A new 4-speed transmission, with an extra-low gear that gives tremendous pulling power for heavy roads, steep hills and deep sand! Powerful, non-locking 4-wheel brakes, with an independent emergency and parking brake! Full ball bearing worm-and-gear steering mechanism! And, in addition, all those other basic engineering features for which Chevrolet has long been famous! Come in today, arrange for a trial load demonstration!

M. H. Schuller, of Oakland, was fined \$75 for killing a spike buck, by Judge Allen G. Norris this week.

NILES LIGHTS ARE POOREST IN WASH. TOWNSHIP

Supervisors Will Furnish No More Lights to Unincorporated Towns

One more argument for incorporation came up incidentally at the Tuesday Chamber of Commerce meeting when George L. Donovan, local representative of the Pacific Gas and Electric Company spoke of the reduced rate being offered municipalities for street lighting.

Mr. Donovan stated that he understood the board of supervisors had decided to place no more lights in towns of the county and that if Niles was not satisfied with present lighting conditions, the only way to improve it was to form a lighting district or to incorporate.

At present there are 37 street lights in Niles, most of them in the center of town, with a few to the east and a few in the canyon. These 100-candle-power lights cost the county about \$1.67 per month each, or a total of \$50 a month.

Mr. Donovan suggested that the Chamber of Commerce ask the company's lighting engineer to make a survey of the situation and give an estimate of what desired improvements would involve, information to be on file for future reference.

Mr. Donovan stated that it is reported that Niles is lighted more poorly than any other town in this section of the county.

Toyan Branch Will Meet During August

MORE ON Glimpses of Mex.

(Continued from Page One)

(Continued from Page One)

ment for failing to pay the "license," we were told that at least five gallons would be necessary to complete the trip. The mental picture of another abandoned car arose in our minds but later we found that we really had six gallons, a mistake due to the slope of the road causing our gauge to register only four on the previous occasion. The trip, which we had thought would take only two hours went on hour after hour until night came on with Ensenada just as far off as ever. Nothing but cactus, mountains, and rocks. Each mountain which we laboriously conquered gave place to another and with the coming of a black night our morale began to slip. However, the seventy miles couldn't keep us away from Ensenada all night and the first intimation we had of civilization was of seeing a flashlight waving directly in our path. A hurried consultation as to the proper thing to do brought forth the following decision: 50 per cent of our party (me) decided to stop and find out what was wanted, and the other 50 per cent decided to step on the gas and leave the flashlight as far behind as possible. As I held the casting vote in the form of the gas control and steering wheel—we stopped. Besides, I was afraid I might miss some interesting adventure. Perhaps it was as well we did stop for a government official, fully armed, was the holder of the flashlight. He wanted to know what we had in the car, especially did we have any guns. We had no guns. He examined our permit and it seemed to be all right so we were allowed to pass. The next thrill came when we were rounding a curve with a forbidding overhanging cliff on the left and deep, black, abyss on the right and a one way road. Two headlights suddenly appeared in front of us. The other fellow's headlights suddenly went out. After a pause we crept up to him and found that he was trying to make room for us to pass on the one-way road. We passed him without leaving the road and soon after we arrived in Ensenada. Food was our first demand, then sleep.

We were really in Old Mexico. Most of the buildings were of the adobe mud brick. Donkeys, with sticks of wood strapped on their backs bring fuel from the mountains. Women carrying earthenware jars on their heads pass down the road. Shoes are not considered a necessity. The women down here have not yet heard of bobbed hair and the old ox team is still a useful asset. But an opportunity to take some real old Mexican pictures was not to be missed so I at once got busy and began to register Indian barefooted women carrying water pots on their heads and Mexican men riding mules. A soldier's barracks interested me. The soldiers were all Indians of a tribe of small men. They looked funny with long guns with 14-inch bayonets glistening. Thinking it would make an interesting picture I tried one. I was at once surrounded by a band of soldiers and the only word I could understand was "forbidden." I thought the glistening bayonets were 14 inches long by 2 inches wide. They may not really have been so large but they looked very big as they surrounded me. By and by a car drove up with a number of officers. The "general" looked very much like Mayor Thompson, of Chicago, and as I don't like Mayor Thompson I felt sure that we were not going to get along very well together. He held out his hand for my camera and not knowing whether he wanted to take my picture or not I let him have it. I made a great mistake in doing so for he foolishly opened it and spoiled a roll of films. I tried to explain to him that I had paid a perfectly good United States quarter for that film but as I couldn't understand much Spanish and as he couldn't speak English there seemed to be no use arguing the matter.

The soldiers were very amusing; they were so small of stature and had such child-like faces. It seemed ridiculous to let such children play with such big guns and bayonets. "Mayor Thompson" finally let me know that our interview was at an end but instead of giving me my roll of films he handed it to the "Adjutant" who put it in his pocket. Returning to the restaurant we enjoyed a fine dinner of quail (the Mexican season for shooting them

To All Owners of DODGE BROTHERS MOTOR CARS— -PAST, PRESENT AND FUTURE— by WALTER P. CHRYSLER

You, more than anyone else, are entitled to know the purpose behind our recent acquisition of the assets and facilities of Dodge Brothers, Inc.

For upon that purpose depends the security of your investment in Dodge Brothers products.

In acquiring Dodge Brothers, Inc. for the Chrysler Corporation, we have secured one of the largest and most modern automobile factories in the world and with it an organization of exceptional ability.

We intend that these facilities shall be utilized to increase the value and quality in Dodge Brothers cars and Graham Brothers Trucks and Motor Coaches.

We have secured, in addition, a dealer organization that has always been recognized as one of the finest in the industry.

It is our intention to deserve the continued loyalty of this group of substantial, progressive merchants by making it possible for them to enjoy increasing prosperity through the sale of Dodge Brothers products.

We have secured, moreover,

that which transcends in importance either Dodge Brothers superb plant equipment or Dodge Brothers splendid dealer organization. For we have become the lawful heirs of Dodge Brothers Good Name, with all the solemn obligation which that inheritance implies.

We have become the trustees of Dodge Brothers good faith to their customers, and it is our purpose to execute that trust with fidelity.

The priceless identity of all Dodge Brothers products will be preserved—as well as the sound policies that have made the words Dodge Brothers synonymous with Honest Value and Dependability.

Dodge Brothers Works will continue to produce Dodge Brothers Motor Cars and Graham Brothers commercial vehicles. Dodge Brothers dealers will continue to sell and service them.

The men to whose capable support the success of the Chrysler Corporation is due, unite with me in pledging perpetuation of Dodge Brothers ideals, to the end that a Good Name may be made still better.

W. P. Chrysler
President Dodge Brothers Corporation

Plans for Memorial Building Presented

Tentative plans for the Veterans' Memorial building to be erected on Second street in Niles this fall were given to the building committee of the Washington Post, American Legion, at a conference between the committee and the county architect, H. E. Myers, at the home of Commander Wilson Wednesday afternoon. Within two weeks it is expected that a drawing of the adopted plans will be available.

Those present at the conference were R. K. Wilson, F. Vernon Jones, Frank Veit, R. A. Griffin and Mr. and Mrs. J. C. Shinn, donors of the lot upon which the building is to be erected. Other members of the committee are J. E. Dutra and E. D. Bristow.

Case Against Rios Has Been Dismissed

The case of the people vs. Augustine Rios, of Alvarado, involving a charge of possession of liquor, has been dismissed on account of insufficient evidence. After the first jury trial the vote was ten to two in favor of acquittal.

Miss Libby DeCora has been visiting Mrs. Emilie Chittenden.

RECEPTION GIVEN FOR GRAHAM ADAMS AND BRIDE SUNDAY

Scores of old-time friends gathered in the J. C. Shinn garden last Sunday afternoon to greet the bride and groom, Mr. and Mrs. Graham Adams, where Mr. and Mrs. Shinn and Dr. and Mrs. John M. Adams received informally. Several of the younger girls assisted in serving the coffee and sandwiches and ice courses.

Some of the wedding gifts were on display in the dining room. Mr. and Mrs. Adams have taken an apartment in San Francisco where the groom is employed with the American Trust Company. Young Mrs. Adams with her quiet charm instantly made a place for herself in the hearts of the old friends of her husband and his parents. It was a twice happy occasion, since Dr. Adams was able to be present and seemed his old self once more on this first public appearance since his long illness.

Among the out-of-town friends were Mrs. H. G. Riggs, Mrs. Gertrude Cotton, Mr. and Mrs. George Barnes, of Oakland; Mrs. Edmund Nelson, of Los Gatos; Mrs. Cotton's aunt, Mrs. Dunsmoor, of Oakland; Mrs. Macey and Miner Macey, of Concord, and Mrs. W. R. Cobb, of Berkeley.

Closing-Out Sale At Martenstein Toggery

One way to get the full value of one's dollar is to watch announcements of sales in various lines of merchandise needed by every family—as per instance, the closing out sale of Martenstein Toggery which is announcing a "quits forever" clean up on account of the fact that the building is soon to make way for the new bank structure.

Men's work and dress clothes, sweaters and hose, ladies' dresses and hats are included in the list of articles offered at a much reduced price as listed elsewhere in today's paper.

VACATION BIBLE SCHOOL IN NILES

Congregational Church To Conduct Summer Classes for Children

Miss L. Breiner, community worker at Decoto, has been secured as superintendent of the Vacation Church School to be held in the Niles Congregational Church beginning next Monday, Aug. 13, and continuing through for two weeks.

A Vacation Church School has never been held in Niles so a few words as to the nature of such a project will be appreciated by parents having children who are eligible to attend. Who can attend? Any child from five years of age on up to High School age.

When are the sessions held? From 9 a. m. until noon, each day of the week except Saturday and Sunday.

Will all the pupils be directed as one group? No, there will be a group for beginners, one for Primary pupils, one for juniors and one for intermediates. Each group will engage in activities especially interesting to them.

What are some of the things they will be taught? Patriotism, worship, character stories, the making of useful articles for the home, memory of Bible verses, co-operation in play, etc.

Who will the teachers be? Miss Breiner will be superintendent and it is expected that she will be assisted by the following, Miss M. L. Sanford, Mrs. A. W. Seebart, Mrs. J. E. Townsend, Mr. Seebart, Miss Elizabeth Shinn, Miss Dorothy Smith, Miss Hodges, Miss Gertrude Ellsworth and others.

What will it cost? This is somewhat uncertain but it is possible that each family will be asked to pay only \$1.00 as an enrollment fee. Certainly it will not cost more than this for any family.

How will the children get there and home again? Those who live some distance from the church will be transported back and forth by private parties and others can walk.

What is the real purpose of the Vacation School? To utilize a part of the vacation period of the school children of our community in an interesting character building program.

Finally, let it be said that this Vacation School should not be regarded as a work school boresome to the children but one where every task is made play by its interest and attractiveness.

The community is fortunate to have such a school and to secure the experienced leadership of Miss Breiner and it is hoped that the opportunities afforded will be appreciated.

I SEE IN THE WANT COLUMN THAT---

The Lost Pearl
Do you want to win a \$20 reward or are you the kind of a person who returns lost articles to owners because honesty is the best policy? In either case you'll find part of the week's news in our classified department.

Appearances Count
He was ambitious and energetic and willing to work, but he didn't get the job. His clothes were ill-fitting and needed pressing. He should have patronized the tailor referred to in our classified department this week.

Want A Horse?
We noticed in the classified ad department this week where there are several bargains in horses. Anybody want a quadruped?

The Radio You Want
A home without a radio is like a house without windows. If you want a bargain in a good used set, refer to our classified department this week.

Finders Not Keepers
He who steals my purse steals trash, but not so in the case of that one lost last Tuesday by a Niles lady. You may earn a nice reward by referring to today's classified department.

Lot Turned to Rubber And Almost "Turtle"

This is not a bed-time Bible story. It is the truth. Remember Lot's wife and the pillar of salt? Only this time it was Lot himself that turned and looked and reaped disaster. Lot's wife, you remember, first turned to rubber and then turned to salt. Lot, himself, first turned to rubber and then turned turtle—almost. He who putteth his hand to the wheel looking back is sure to reap misfortune.

It happened that Mario Lott, of 2205 Victoria street, San Francisco, while travelling between Centerville and Alvarado, heard the explosion of a balloon tire on a car coming behind him. Turning to see the cause of the noise, he ran off the road, side-swiped a tree and fractured his jaw-bone.

CHURCH NOTES

The sermon theme for next Sunday at the Niles Congregational Church will be, "Mountain Top Experiences." Rev. A. W. Seebart, pastor, will refer to and draw lessons from those Biblical passages which tell of great experiences which took place on the mountain tops of the ancient east. Service at 11 a. m.

Don't fail to read special story regarding Vacation Bible school, appearing elsewhere in The Register this week.

In the same line with your name on your paper the correct date when your subscription expires is supposed to appear. Notice this date. If it indicates that the subscription has expired, kindly send in your renewal.

ENDURING AS MONTEREY CYPRESS

Cut oil consumption
with the new Cycol, the motor oil
with "endurance beyond belief"

Stability The new Cycol will stand the hardest kind of usage. It is refined to meet the severest conditions of heat and pressure developed by the modern high compression engines, assuring you an unbroken oil film where heat, pressure and friction are greatest.

No Acids The new Cycol refining process eliminates the use of acids, though most refiners use them. While acids clear the "crude oil" they chemically change its structure and composition, thus seriously cutting its lubricating value.

Such oils break down under engine temperatures. They distill off and escape as vapor through the breather exhaust.

The new refining process of Cycol selects from the "crude" those elements of greatest lubricating value and stability in performance, rejecting those elements which readily break down under engine heat and cause excessive carbon deposits.

So Cycol gives a protective oil film on cylinder walls and moving parts, not vapor at the breather pipe.

Less Carbon As to carbon, Cycol like all oils deposits some carbon. But it deposits less carbon than any other oil. The most exhaustive tests have proven that statement.

Even more important, the carbon that is deposited by Cycol is soft and easily removable. It is not hard or sticky and cannot scratch a cylinder.

Prove it yourself Cycol gives you the finest results you have ever known—more perfect lubrication, "endurance beyond belief" and the elimination of carbon troubles.

So fill your crank case with Cycol. You can identify it by the new transparent green-gold color. Sold wherever the Associated Gasoline and Cycol Motor Oil signs are shown. ASSOCIATED OIL COMPANY, Refiners of

BANKITALY CLUB TO HAVE PICNIC ON AUGUST 12th

Bank of Italy employees, officials and guests from the bay cities and as far as Santa Rosa and San Jose will gather for a picnic under the direction of the Bankitaly club, the social organization of the bank, at Madrone Park in Redwood Canyon, Contra Costa county, next Sunday, August 12, it was announced yesterday.

Among the guests of honor will be A. J. Mount, senior vice-president; Joseph T. Grance, vice-president from Santa Rosa; Frank C. Mitchell, vice-president from San Jose, and Virgil Giannini, president of the San Francisco chapter of the Bankitaly club.

John A. Grennan, Jr., of the East bay chapter, is in charge of the arrangements and is assisted by D. B. Bevier, W. M. Hamilton, Randy Barsotti, Burdette Gray, Virginia Chiesa, Julia Niosi, and Florence McCrum. The program will include an open-air barbecue and games and dancing.

Maccabees Practice For San Jose, Meet

Fruitvale members of the Maccabees were visitors at the Golden Gate. Hike in Niles on August 1. Final practice on the San Jose work was held and a short business meeting followed. Ladies both in Fruitvale and Niles have been demonstrating much interest in the initiatory work scheduled for San Jose, August 8.

Pittsburg—Columbia Steel Corporation will construct tin plate unit at local plant.

BRANCH OF FEDERATED FRUIT AND VEGETABLE GROWERS IN IRVINGTON

Fruit and vegetable growers of Irvington and vicinity are fortunate in having located in that town a branch of the Federated Fruit Vegetable Growers, the Southern Pacific Packing House having been leased to that concern.

This is a co-operative, non-profit organization with nation-wide sales service. Headquarters are in San Francisco. It serves the growers in about thirty states.

This body was organized in 1922 by a committee of twenty-one men appointed by the president of the American Farm Federation. This committee realized they wanted a purely co-operative sales organization that was not itself interested in the growing or participating in the jobbing profits of its members' fruits and vegetables.

The Federated's tonnage, coming from several different states and moving at different periods of the year, provides a daily business which makes it possible for the Federated to have continuous contact with the buying trade as well as the producing sections, and provide a marketing service for its members at very low cost.

The Federated has sold approximately 110,000 cars during its first three and one-half years of operation and distributed them into 15,000 markets. About 88½ per cent of the entire tonnage was sold on F. O. B. terms, 5 per cent auction, balance delivered.

The Federated is supported by growers and shippers because it is the only real nation-wide, grower-owned, co-operative marketing organization in existence; because it is an organization working for the growers' interests. It is generally endorsed by national and state departments of agriculture, college of agriculture, farm bureaus, bankers and business men. Its offices cover about 85 per cent of the consuming population.

The plan of organization, briefly, is that the local associations work through the district exchanges which in turn are assisted by the board of directors, a non-salaried group elected by the members, and they in turn work under the direction of the executive committee and officers, also non-salaried and elected by the members, who are behind the officers of the general management which have general supervision over all departments—field organization, sales, legislation, traffic, employment, advertising, etc. Two main branches of the general management are the field organization management and the general sales management. A. R. Rule is general manager and L. R. Hart, western division manager.

According to officials, when growers' associations and independent shippers cooperate in the use of a single sales agency, the results are lower marketing costs and higher returns to the growers.

Herbert Hoover in commenting upon this system stated recently: "There should be co-operation among the growers in each community, and next, co-operation of the growing districts with each other. The shippers need the high vision of co-operation so that the growers' products may be shipped directly from the orchards to the market centers in proportion to the demand of consumption. Then there would be no glut at one point and dearth at another for the shippers would know what the distribution demands are at all times."

Products shipped by the Federated include a large variety of fruits and vegetables, coming from many sections. The Federated sells apples every month in the year from the following states: Washington, Oregon, Idaho, Utah, Colorado, New York, New Jersey, Virginia, West Virginia, Ohio, Michigan and California.

TULARE—Lighting system being installed at new Tulare airport.

"We Americans" at Niles Theater This Week-End

"We Americans," a picture of the same standing as "Sorrell and Son" that drew record crowds to the local theatre, will be the feature for Sunday and Monday. This film was chosen to open the new El Capitan theatre in San Francisco recently. It is an outstanding romantic and emotional drama, one of the conflict between the younger and the older generations.

It is reported to be the most human drama ever screened, one that New York paid \$2 to see. A picture the whole family should see.

Saturday, Mrs. Wallace Reid and Noah Berry will play in Hellship Bronson, a sea picture and on Thursday, the 16th, William Haines will take the lead in "The Smart Set."

Low Fares Are Quoted To San Joaquin Fair

Five railroads today announced special low fare round-trip excursion rates to Stockton, where the San Joaquin County Fair is to be held August 20 to 26 inclusive.

The special fares will apply from San Francisco, San Jose, Sacramento and intermediate stations via Niles, including branch line stations; also from Oakland 16th street, Callistoga, Santa Rosa, Newman, Merced, Waterford and intermediate stations, also including branch line stations.

Tickets will be on sale August 19 to 26 inclusive, and return trip must be completed not later than August 27. Tickets for the round trip will cost approximately one and one-third times the first class one-way fare and no stop-overs will be allowed.

The railroads making the rate are the Southern Pacific, Santa Fe, Western Pacific, Tidewater Southern and the Central California Traction Company.

ALVARADO

(By Mrs. F. W. Joyce)

Mrs. John Ralph entertained her bridge club Wednesday.

Mrs. Tainton and son, Milsted, are visiting for a few days with Mrs. Ralph.

Miss Ruby Joyce resigned from her position as secretary at the high school and begins her new work on Monday as secretary to the vice-president of the Income Properties,

Inc., of Oakland, who have their offices in the Central Bank building, Fourteenth and Broadway.

Mrs. Lanpher, of San Anselmo, is visiting with her sister, Mrs. E. A. Richmond, over the week-end.

George Harvey is away on a hunting trip with Mr. Bailey and expects to return Monday.

Mr. and Mrs. Sam Dinsmore and children are away on their vacation.

Miss Charlotte Jung is going to summer school in Los Angeles. Mrs. Rogers, of Newark, and Mrs. Mueller, also of Newark, are with Miss Jung.

Mr. John Logan returned from his honeymoon in Nevada.

WARM SPRINGS

By Mrs. H. J. Allard

Manuel Laramento, a popular resident of this place, died in Oakland Tuesday, after having been taken there for medical treatment. Mr. Laramento had been ill for some time and leaves a wife and three children to mourn his death.

Many residents here attended the funeral of the son of J. Vargas, the lad having had a lingering sickness.

A. Pearson, of Oakland, was a guest at the Allard home this week-end.

Mrs. K. Campbell, of San Jose, visited with Mr. and Mrs. M. Azeneda recently.

Mr. and Mrs. J. Gualarte, of Mission San Jose, visited friends in town Monday.

Mrs. A. Arguilla, of San Leandro, was a recent visitor at the home of her parents, Mr. and Mrs. M. Rose.

LOCAL NEWS ITEMS

Mr. and Mrs. George Cole and family have been visiting in Santa Cruz.

H. C. Marshall, of Alameda, has taken George Jund's place at the Hellwig and LaGrave meat market in Duarte's grocery. Mr. Jund is conducting a private produce business.

Dr. and Mrs. John Adams attended a performance of "Able's Irish Rose" in Oakland recently.

Lovell Pierce, teacher of physics at the Washington Union high school last year, will teach this coming year at the LaJolla high school.

Mr. and Mrs. J. C. Walton will visit Lake county this month.

Mr. Crane is spending his vacation in the Livermore mountains hunting deer. Mrs. Dan Marble is substituting for him in the rural mail delivery.

Mrs. C. B. Overacker and daughter, Miss Carol Overacker, of Niles, were recent visitors in San Francisco.

Mrs. Clarence Waldner and children, of Taft, are visiting Mrs. R. H. Hunt.

Mrs. Gertrude Cotton and Mr. and Mrs. Barnes were out-of-town visitors in Niles Sunday.

INTERESTING ITEMS ABOUT ODD FELLOWS

TAKEN FROM AUGUST ISSUE I. O. O. F. NEWS BULLETIN

ON THE SICK LIST

Brother Louis Casterson is confined to his bed in the Judson hospital at Livermore under the care of Dr. Eastman. He received a very painful injury on July 2nd, while operating his combine harvester and thrasher at his ranch. He is now able to be out of his bed for a short time each day, but will be out of work for several weeks to come, but owing to his vigorous constitution he is making a very satisfactory recovery.

LODGE ITEMS

On the evening of July 11th, the District Deputy Grand Master Roy Rose of Niles lodge, with his staff of installing officers, paid us an official visit and installed the officers for the ensuing term. This was an open meeting and a good sized crowd was in attendance. The installation ceremonies were carried through without a break and much credit is due the District Deputy Grand Master and his staff for the efficient manner in which each one performed their respective duties.

At the conclusion of the installation services the orchestra played the usual aggregation of waltzes, two-steps etc., until about 11:30, when refreshments were served to all who were hungry—and the committee said every person ate his or her share. Then the music commenced once more and kept continually at it until one o'clock in the morning. The home folks and all visitors expressed themselves as having had a very enjoyable time. We did have a good time from start to finish without a dead moment anywhere along the route. Come again, friends—you are always welcome.

The Register for better printing.

Niles News Notes

P. A. Ellis, our genial secretary, was suddenly awakened the other morning at 1 a. m. by a great racket at the front door. Although thoroughly scared, he got up only to find—and happily so—that a friend had left six fresh mountain trout for his breakfast.

Crusade and Niles were jointly installed on July 10 at Alvarado by D. D. G. M. Roy Rose. This was Brother Rose's first installation, and he is to be congratulated on the fine job he made of it.

Campanile Lodge No. 270, of Berkeley, sent a committee of four on July 16 to arrange for the presentation of the Treveling Gravel to Niles Lodge on Saturday, July 28.

Brother Frank Crane, who is now enjoying a month's vacation, took a trip to the Feather River for some fishing. He won't say how many he caught, but at any rate he had a fine time. He went prepared for any emergency, and, naturally, carried along a good supply of snake bite remedy.

Sister Lillian F. Stivers, who had been ill for the past 14 months, passed away at the home of her daughter, Mrs. Earl Meyer, in Oakland, on July 12. She was a member of Agua Pura Rebecca lodge of Irvington, and the Veteran Assembly of Oakland. Services were conducted by the Sunset Rebecca lodge of Oakland.

The first degree will be given by Niles and Crusade lodges to a class of candidates on or about August 13. All lodges in the district will be notified of the exact date in plenty of time to get ready.

Plans are being discussed in regard to a district outing to be held during August, probably at Niles, and later a district visit to Lodge No. 20, at San Jose.

Brother Solon is rapidly improving. He spent a week in Niles early in July with his son, Brother L. A. Solon.

Niles Rebeccas assisted Brother Rose to install jointly in open meeting the subordinate and Rebecca lodges at Pleasanton, July 11.

Brother C. F. Studebaker is on the sick list. He seems to be improving at this time.

LOCAL HAPPENINGS

Mrs. William Eberly was a visitor in San Francisco last week.

Mrs. Thomas Tobin, of San Francisco, is visiting her daughter, Mrs. William Eberly.

Guests too, like automatic hot water service

One never knows when hot water is wanted in their home. And one never knows who wants it.

On the average, there is a demand for hot water 70 times a day in the usual family of four. And this demand starts in the early morning and continues until late at night.

How inconvenient it is to meet that demand with the ordinary water heater!

But a modern Automatic Gas Water Heater keeps hot water always ready for instant use. You merely turn the hot water faucet for a cupful or gallons of steaming water.

Why don't you, too, enjoy the comfort and convenience of a modern Automatic Gas Water Heater? It is the cheapest way to heat water in the home.

Look Out For Brakes During This Month

Bad brakes will be bad business for Eastbay motorists during the month of August.

Beginning early in the month the Eastbay Safety council in co-operation with the police of the Alameda county cities will institute an intensive brake testing campaign designed to smoke out automobile drivers operating cars that are a menace to life and limb because of their inability to stop within the limits set down by the law.

The following table will be used in deciding whether the brakes are satisfactory:

Speed	Stop. dist.	Stop. dist.
Per hour	4-wheel brakes	2-wheel brakes
10 Miles	5.6 Feet	9.3 Feet
15	12.5	20.8
20	22.2	37.
25	34.7	58.
30	50.	83.3
35	68.2	113.
40	89.	148.
50	139.	232.

PERSONAL ITEMS

Miss Lela Mendenhall, who has been ill for several days, is much improved.

Mr. and Mrs. Philip Moore who have been motoring in Canada for the past three weeks are expected to return to Niles this week-end. They accompanied Mr. R. A. Crothers, Mrs. Moore's uncle. Lake Louise was one of the points of interest visited.

The Standard of Living

WOMAN may be called "EGTRAVAGANT." BUT without her inclination TO RAISE constantly HER OWN and her family's STANDARDS of living, TO HAVE better things THAN her neighbors, ABOUT nine stores out of ten WOULD QUIT business tomorrow.

AND THE race would go back TO LIVING in caves AND growling over RAW HUNKS of meat. WOMAN IS civilization. AND we among so many others ARE constantly aiding her in RAISING her standard OF living.

Representatives: G. W. Golds, Washington Township; DeLuxe Barber Shop, Main 62, Niles; Laumeistr, Main 13J, Centerville.

On bundles received Thursday, Friday and Saturday the price for pressing and hand ironing will be only 10c per lb.

members should be first of all of unimpeachable honesty; next to honesty should come financial and executive ability. These two elements, coupled with a determination to equalize as nearly as possible public improvements, make an ideal official in this capacity.

These elements Richmond fortunately possesses.

Let us make his re-nomination, which is equivalent to re-election, in this part of the district, at least, just about unanimous.

His return to the supervisorial body will ensure the completion of the ambitious program of improvement of the Niles Canyon road, and other projects, perhaps of lesser importance, outlined for the immediate future or now under construction.

A GLORIOUS FEELIN'

DID YOU ever feel that way—how glorious it is to live amid settings so beautiful, as surround Niles; and to commingle with men and women so fine and hospitable as are the residents here and throughout the township of Washington?

It makes a man feel glad that he is alive.

Get up early in the morning, about five, for instance, just when the outline of the hills north and east of us becomes visible. Perhaps west of us a bank of fog may be seen hanging over the bay of San Francisco. All is quiet in the town, but in the railroad yards a shrill whistle tells of an approaching train from the East laden with tourists who may catch their first glimpse of marvelous California right here in God's jewel setting, with beautiful Niles canyon in the background.

Through our streets, even at this early hour, the motor bus and the giant commercial truck busily skim by. Niles, the gate city of the highways and the hub of the railroads, never grows lonesome, even in the hour when the physical body reaches its lowest ebb.

How interesting, how fascinating it is all!

And to be a part of this pleasant scheme of nature and vista created by the hand of industry and thrift—how entrancing!

He who questions the ultimate triumph of this city—the breaking of bonds of village limitations, into that of a throbbing, industrial city, has a mind devoid of the simplest process of business analysis and a brain rattling like a dry pea in a shell—with vision dead, and inspiration buried in the cemetery of lethargy.

HE SPELLS IT BOWLES

IN THE THIRTEENTH Senatorial district there is going to be a mighty warm contest, with Christian, the incumbent, losing ground as the name of Calvert L. Bowles becomes better known to the voters.

Under ordinary circumstances, the Hayward man would have practically an uncontested field. If his record was at least reasonably good, his opponent would find the campaign difficult, if not entirely hopeless. But that is not the case.

The Register feels, and believes, that a change in the personnel of this senatorial district is in the interest of good government.

Corporate interests look with pleasing eye upon the tabulated vote of the incumbent of the upper house of the California legislature, and his activities in that body. But the eye of labor narrows when it runs over the record that in practically every instance has been averse to its interests.

A henchman of the late lamented governor, Richardson, Christian jumped when that old lady cracked the whip. In the campaign to cripple the school system, that his enemy, Will C. Wood, might be punished, Richardson found Christian an able and willing lieutenant.

A state senator is a state senator. The official duties do not invest one with peculiar dignity or power. They do not place a man on a pedestal of superiority, and give excuse to very ordinary

(Continued in Next Column)

men to "high hat" their constituency.

When you meet this young man, Bowles, you are going to be impressed with his simplicity of manner, his democratic ways, his honesty. The young man has been active in civic affairs, and has for years been in close and intimate contact with men and women who have done worthwhile things in that big way peculiar to people who really have ability—not bluster and braggadocio.

Mr. Bowles spells his name BOWLES. The Register will vouch for the fact that he will spell his name just that way throughout the campaign and after the polls close. We have a feeling, after meeting this young man, that he is proud of the name that his parents gave him, and if chance of birth had given him the cognomen of Bodowski, so it would have been "Bodowski" until the pale messenger had called him to "the undiscovered country from whose bourne no traveler returns."

LOCAL NEWS

Miss Carmel Dillworth and her fiancée, Harry Anderson, both of Oakland, had luncheon with Harry Green and his mother, Mrs. Mitte, in Niles Wednesday.

Atwater-Kent radio for sale, complete, with new batteries. May be seen and heard at De Luxe Barber Shop, Price 45. Jy26c.

Niles Maccabees At San Jose Initiation

By MISS BETTY HOUGHTON

The ladies of the Fruitvale and Niles Maccabees journeyed to San Jose Wednesday evening, August 8th, and successfully put on the initiatory and installation work for the Observatory Hive of San Jose.

The opening ceremony was in charge of Lady Commander Henninger, of Fruitvale Hive, and was executed in a charming and well-befitting manner.

Initiatory work was ably handled by Lady Commander Susie Amaral, of Golden Gate Hive of Niles. Initiatory ceremonies are always beautiful and inspiring and were made exceptionally so by the clever management of Commander Amaral.

Supervisor Lady Ruth Lease was in charge of the installation of the San Jose officers. She was assisted by Lady Smith, of Fruitvale Hive, who acted in the capacity of Grand Mistress-at-Arms.

District Manager Brown was an honored visitor.

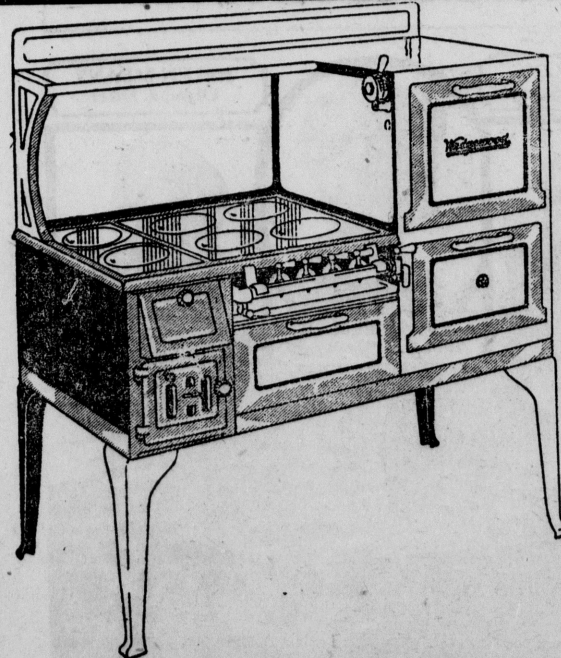

Sir Knights from San Jose and Oakland were present. Also visitors from Sacramento and Watsonville. A banquet followed the evening's work.

Local Legionnaires Leave for Stockton

R. K. Wilson, of Niles; R. A. Griffin, of Irvington; and Frank Velt, of Newark, are leaving Sunday for Stockton where they will attend the tenth annual state convention of American Legion men. Others from the Washington Township Post are expected to go up for at least a day, including Dr. H. E. Morrison, of Niles; and D. F. Gatchell, of Centerville.

The convention will last for three days.
